

youthful sense of humor and her passion about changing American politics.

Madam Speaker, Matilda Garcia is a highly regarded woman who has touched the lives of many in Tampa. I am proud to call her my neighbor, and I join many others to applaud her lifelong contribution to the Tampa Bay community.

INTRODUCING THE ENERGY EFFICIENT AND ENVIRONMENTALLY FRIENDLY AUTOMOBILE TAX CREDIT ACT

HON. RON PAUL

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. PAUL. Madam Speaker, I rise today to introduce the Energy Efficient and Environmentally Friendly Automobile Tax Credit Act, legislation that will help Americans reduce pollution and the amount they pay for gas. My legislation accomplishes these important goals by providing Americans a tax credit of up to \$2,000 when they sell or trade in a car and obtain a vehicle that has at least a 20% higher average fuel economy than the sold or traded-in car. The bill also creates a federal tax deduction for any state or local taxes paid on the purchase of the more fuel-efficient automobile and makes interest on loans to purchase the more fuel-efficient automobile tax deductible.

This legislation will help Americans reduce the amount they pay to fill up their cars by making it easier for them to obtain more fuel-efficient cars. I hope my colleagues would agree that Congress should provide free market incentives to make it easier for Americans to exchange their current cars for cars that create less pollution.

Providing tax deductions and tax credits to make it easier for Americans to purchase fuel-efficient automobiles is a win for American consumers, a win for the environment, and a win for those of us who favor free market solutions to pollution and high gas prices. I urge my colleagues to support this legislation.

A TRIBUTE TO NATALIE ADDISON

HON. EDOLPHUS TOWNS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. TOWNS. Madam Speaker, I rise today in recognition of Natalie Addison, the Assistant Manager of Collections at Starrett City and resident of Brooklyn.

Natalie, a native of Queens, was raised in the Queensbridge Housing Projects. She attended and graduated, with a concentration in business subjects, from Washington Irving High School in Manhattan. Pursuing her interest in the field of business after high school graduation, Natalie excelled at the Berk Business School. Natalie was a high achiever who graduated with the honor of Valedictorian for Accounting and Business Management.

Continuing to advance on her employment path, Natalie worked for the Equitable Life Insurance Company. Always interested to expand the application of her knowledge, she transferred to the New York City Board of

Education and was assigned to the Community District 19 office located in the East New York section of Brooklyn.

Currently, Natalie is employed by Starrett City at Spring Creek. As the Assistant Manager of Collections, Natalie interacts daily with Starrett's legal department. And when life appears to throw tenants a financial curve ball, Natalie's ability to aide people with finding a method of paying their rent becomes paramount.

Her compassion and concern for her constituents demonstrated though her patience and efforts on their behalf immediately make the tenants realize the necessity to become more responsible for the well-being of their families. She makes an official matter understandable by providing a caring voice.

As the "First Lady" of the Alpha Riders MC, Inc., located in East New York, Natalie was challenged by a motorcycle accident that left her seriously injured and hospitalized for four months. She attributes her rapid recovery to God and a dedicated staff at the Wartburg Lutheran Home For The Aging, where she and the Alpha Riders still today volunteer their time each month to others in need of love and assistance.

Natalie has been married to Barry "Mr. B" Addison for thirty-one years and they are the proud parents of Ebony, Barry II and very proud grandparents of Lil Andre.

TRIBUTE TO SALLY GORDON

HON. ADRIAN SMITH

OF NEBRASKA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. SMITH of Nebraska. Madam Speaker, I rise today in honor of a wonderful lady and a true Nebraska treasure. Today, Sally Gordon will be celebrating her 100th birthday in a place which has come to know and love her—The Nebraska State Capitol.

Sally was the Nebraska Legislature's first female Sergeant-at-Arms when she was first hired in 1983—and she has been putting Nebraska lawmakers in their place ever since.

In this day and age, such dedication to public service is rare and her amazing stamina has put many of her colleagues to shame over the years.

She truly exemplifies the word "elegant" and I have been blessed to have had the opportunity to work with her during my time in the Nebraska Unicameral.

Sally, may your force never diminish and your voice never fade.

Happy Birthday.

HONORING WASHINGTON COUNTY HISTORICAL SOCIETY'S 75TH ANNIVERSARY

HON. MICHELE BACHMANN

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mrs. BACHMANN. Madam Speaker, I rise to honor the Washington County Historical Society and their dedicated preservation of the history of Washington County and Minnesota.

Founded on April 11th, 1934, the Society has grown from 75 members meeting in the

public library to more than 700 members operating four buildings, two museums and a growing research library.

In 1941, the Society purchased the Warden's House Museum and today it is one of Minnesota's oldest buildings and the second oldest continuously operating house museum. The Society purchased the Boutwell Cemetery and the Hay Lake School in 1978 and shortly thereafter the school's neighbor, the Johannes Erickson Log House, was donated for the Society's care and restoration. All three buildings are on the National Register of Historic Places.

The Society provides educational programs and historical expertise with the ultimate goal of collaborating with the community, facilitating historical discussion and providing an opportunity for all Washington County residents to learn and enjoy their area's history. Minnesota is so rich with history, heritage, and tradition. This work is such a tremendous service to us all.

Madam Speaker, it is my honor to recognize and congratulate the Washington County Historical Society on their 75th Anniversary. Their efforts have demonstrated the importance of historical preservation and resulted in a strong sense of community heritage throughout Washington County.

INTRODUCING A RESOLUTION RECOGNIZING THE CRUCIAL ROLE OF ASSISTANCE DOGS IN HELPING WOUNDED VETERANS LIVE MORE INDEPENDENT LIVES, AND SUPPORTING THE GOALS AND IDEALS OF CREATING A TOWER OF HOPE DAY

HON. ALCEE L. HASTINGS

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. HASTINGS of Florida. Madam Speaker, I rise today to introduce a resolution that acknowledges the admirable role of assistance dogs in helping our wounded veterans live more independent lives, expresses gratitude to the Tower of Hope, and supports the goals and ideals of creating a Tower of Hope Day.

We currently have over 170,000 troops deployed in Iraq and Afghanistan. Thousands of those brave service men and women have been seriously wounded in combat. Many of these courageous soldiers suffer from brain injuries, single and double amputations, and other traumatic wounds. As a result, they are required to spend weeks, months, and years in hospitals recovering from their injuries.

Madam Speaker, we must not forget that these brave men and women are still in genuine need of assistance to continue their recovery. Assistance dogs will help to empower veterans in need of assistance to live a more comfortable and independent life.

The Tower of Hope is dedicated to providing wounded soldiers with service dogs. The Tower of Hope was created following the September 11th terrorist attacks in an effort to bring about hope and happiness to our wounded veterans. Among other things, these dogs assist wounded veterans with the necessary everyday tasks such as using the stairs, retrieving items, pulling wheelchairs, and even turning lights on and off. In addition

to these essential life tasks, service animals offer priceless companionship and unconditional love.

Madam Speaker, we are at a point in our history where the demand for our troops is high and the nature of their work puts them in grave danger on a daily basis. We must not overlook the great sacrifices that our soldiers make each and every day in the name of freedom. It is unacceptable that fewer than 75 veterans from Iraq and Afghanistan have service dogs because they cannot afford them or are unaware of their benefits. Currently, such brave men and women have to wait up to two years to receive an assistance animal. Our soldiers deserve nothing less than our steadfast support and access to services that improve their quality of life.

The Tower of Hope has been dedicated to substantially improving the lives of veterans. Through tireless and devoted work, the Tower of Hope has raised funds for training assistance dogs and labored to educate people about the benefits of such animals. Most of all, the Tower of Hope has been able to award grants to veterans, allowing them to enjoy these dogs' services at no cost. This resolution lauds the outstanding work of the Tower of Hope and expresses gratitude to all the volunteers and donors who have made these programs possible through their generosity. Additionally, this resolution supports the goals and ideals of creating a Tower of Hope Day.

Madam Speaker, throughout the years, this great nation has been shaped by our willingness to help our neighbors in their greatest time of need. This giving spirit that defines our country is embodied in the Tower of Hope. We owe it to our veterans and the history of this country to support the development of a program that inspires hope and strengthens our tradition of compassion to those who need it most.

I urge my colleagues to extend a helping hand to America's veterans by supporting this resolution.

INTRODUCTION OF THE OUTDOOR LIGHTING EFFICIENCY ACT

HON. JANE HARMAN

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Ms. HARMAN. Madam Speaker, in 2007, Congressman UPTON and I introduced legislation—which became law as part of the Energy Independence and Security Act—that will revolutionize the way Americans light their homes.

Our legislation bans the famously inefficient 100-watt incandescent light bulb by 2012, phases out remaining inefficient light bulbs by 2014, and requires that light bulbs be at least three times as efficient as today's 100-watt incandescent bulb by 2020.

That bill was the product of bipartisan and bicameral efforts to forge a consensus between industry and environmental groups. The result was not only broadly accepted, it was groundbreaking. The Alliance to Save Energy estimates that the provisions will eventually save \$18 billion in energy costs every year, and prevent the emission of 100 million tons of carbon dioxide annually by 2030. That's the equivalent of taking 20 million cars off the road.

Today, we will introduce legislation that builds on this success by setting efficiency standards for outdoor lighting.

Outdoor lighting currently consumes approximately 4.4% of all the electricity produced in the United States. Most of this lighting is currently provided by outdated and inefficient technologies.

Our bill sets efficiency standards to phase out these inefficient technologies (which include incandescent and halogen lights), paving the way for more efficient and cost-effective lights (such as super-efficient light emitting diodes, or LEDs). The first standard will be set in 2011, the second in 2013, and the last in 2015. The Department of Energy would then have the authority to set rules that raise efficiency standards even further.

The bill also requires outdoor lights to come with bi-level controls, which permit users to alter the amount of light emitted. You don't need the same level of brightness at dusk as you do in the middle of the night. This is important, because these controls will give cities, counties, and other users more control over their own energy usage, empowering them to maximize their own energy conservation efforts.

Finally, like in 2007, we protect the efforts of early innovators such as California, which has already passed an outdoor lighting standard. Our bill allows California to fully implement its law before imposing nationwide preemption.

The energy savings that will flow from these efficiency improvements are stunning. A leading industry group estimates that this bill could eventually reduce energy usage from outdoor lighting by more than 25%, saving more than \$6 billion in electricity costs every year. That's the equivalent of more than 50 coal fired power stations.

And like our 2007 legislation, we are proud that this bill is a bipartisan, consensus effort forged after extensive discussions between leading environmental and industry groups.

The United States will not be able to get its arms around the twin, daunting challenges of global climate change and dependence on oil until we pursue efficiency and energy conservation wherever it is technologically feasible.

We believe that this bill, like its 2007 counterpart, is a vital and necessary piece of the solution. We urge its swift passage.

HONORING DEBBIE WASSERMAN SCHULTZ AND ILEANA ROS-LEHTINEN

HON. MARIO DIAZ-BALART

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 26, 2009

Mr. MARIO DIAZ-BALART of Florida. Madam Speaker, I rise today to honor the work and lives of two remarkable colleagues from the South Florida Delegation, Congresswoman DEBBIE WASSERMAN SCHULTZ and Congresswoman ILEANA ROS-LEHTINEN. With unprecedented courage, a love of family and a strong commitment to service, these women have made history in our community, our state and our nation. Today I take the time to honor their work and thank them.

I had the pleasure of serving with DEBBIE WASSERMAN SCHULTZ in the Florida State Leg-

islature, where she made history as the youngest woman ever elected to the Florida House at the age of 26, and later the Florida Senate. I was proud when she joined me in Congress in 2005 as the first Jewish Congresswoman ever elected from Florida. DEBBIE works tirelessly for the people of South Florida and has dedicated her life to public service. In just four short years, she has made herself known on Capitol Hill as a leader on the House Committee on Appropriations and the Committee on the Judiciary and as a Chief Deputy Whip for her party.

DEBBIE takes special interest in ensuring that Americans and people around the world are treated fairly and with respect. She is a leader in the Jewish Community, an advocate of human rights and has introduced and passed key legislation protecting Florida's working families, women and children. Despite many legislative victories throughout the year, DEBBIE's greatest accomplishment is her family. Aside from prioritizing the needs of her constituents, she also makes life at home a priority as a loving wife to Steve Schultz, her husband of 17 years, and an exceptional mother of twins Jake and Rebecca and youngest daughter Shelby.

We recently learned that DEBBIE successfully battled breast cancer after finding a lump during a routine self-examination last year. In an effort to create awareness of breast cancer among young woman she has shared her story and introduced the EARLY Act, legislation that develops and implements a national education campaign to increase awareness of the threats posed by breast cancer in young women of all ethnic and cultural backgrounds. DEBBIE's story is an inspiration to women across the nation and she represents what can be accomplished through hard work, dedication and perseverance. She is undoubtedly one of the most influential Members of Congress and I know that a bright future lies ahead.

ILEANA ROS-LEHTINEN has been a public servant for more than two decades and this year marks her 20th in the United States Congress. In 1989, she was the first Hispanic woman and first Cuban-American elected to the House of Representatives. She began her career as an educator in Miami, FL and was elected to the Florida State Legislature in 1982, becoming the first Hispanic woman in the Florida House. She later served in the Florida Senate.

ILEANA's list of accomplishments runs long, but she is best known for ensuring that the needs of the diverse community she represents are met. She takes a particular interest in education, safety for Florida's families and protecting our environment. In her role as the Ranking Member on the House Committee on Foreign Affairs she has worked to advance democracy around the world, promote human rights and improve our nation's relationships abroad. She continues to be a strong voice for the oppressed people of Cuba and an advocate for peace in the Middle East. In 2008 ILEANA's work was recognized by the State of Florida when she was inducted into the Florida Women's Hall of Fame, a great honor in our state.

Alongside a successful 25 year career in public service, has been Ileana's dedication to her family. She is a loving wife to husband Dexter Lehtinen, mother of Amanda Michelle and Patricia Marie and stepmother of Katharine and Douglas. By her side each day are
